

# Wholesale Butcher with Prime Customers

## Overview of the Business

Established in the industry in 1994, the owners of the business started off with a small butcher shop, then in 2001, bought the two factories where the business runs today.

The business is family owned in a great location situated in north-east of Melbourne, this business caters to many different customers. There is a small shopfront open to the public on Wednesdays, Thursdays, Fridays & Saturday morning. As well as that are wholesales to independant butchers. The most popular customers are larger businesses and supermarkets. This family business is not shy of being a stockist to the big market.

## Key features of the business include :

- Family owned business with great reputation
- Supplies to large and small customers, bringing a diverse client base
- All possible equipment needed for butcher business included; six refrigeration vans, meat slicers, hooks, mincers, knives, etc.
- Two factories for sale

## Potential Growth

Growth potential exists to expand beyond the current customer base with the help of economic growth and further development. Now is a great time to purchase a family owned business with a fantastic reputation, with all the needed equipment to run a wholesale butcher.
